# A Chance to Thrive: What We Can Learn from One City's Effort to Transform Community

Photo by Diane Baldwin/RAND Corporation

**H**ave cities missed the point?

What if, for all their focus on crime stats and traffic patterns, on zoning laws and building codes, they've missed the chance to thrive—and to help their residents thrive, too? What if there's a better way to govern?

Topics

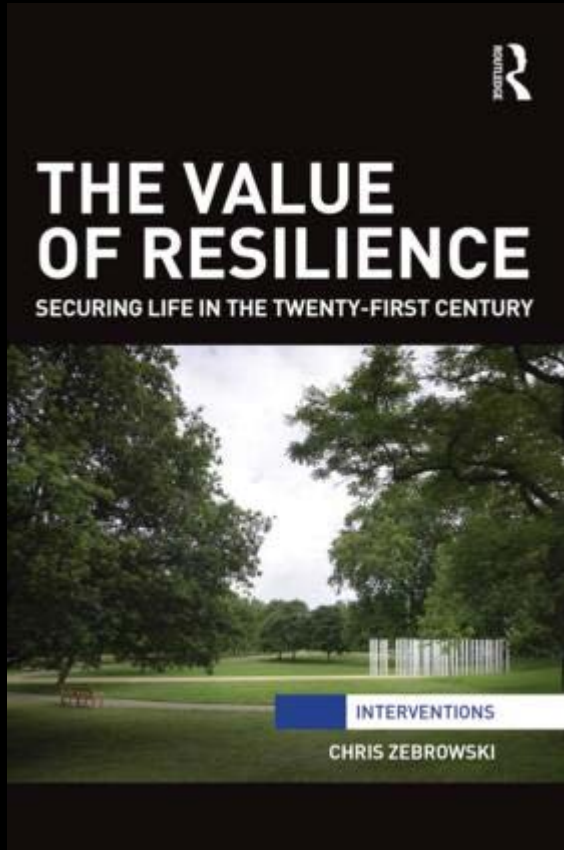

Community Resilience

# Research questions

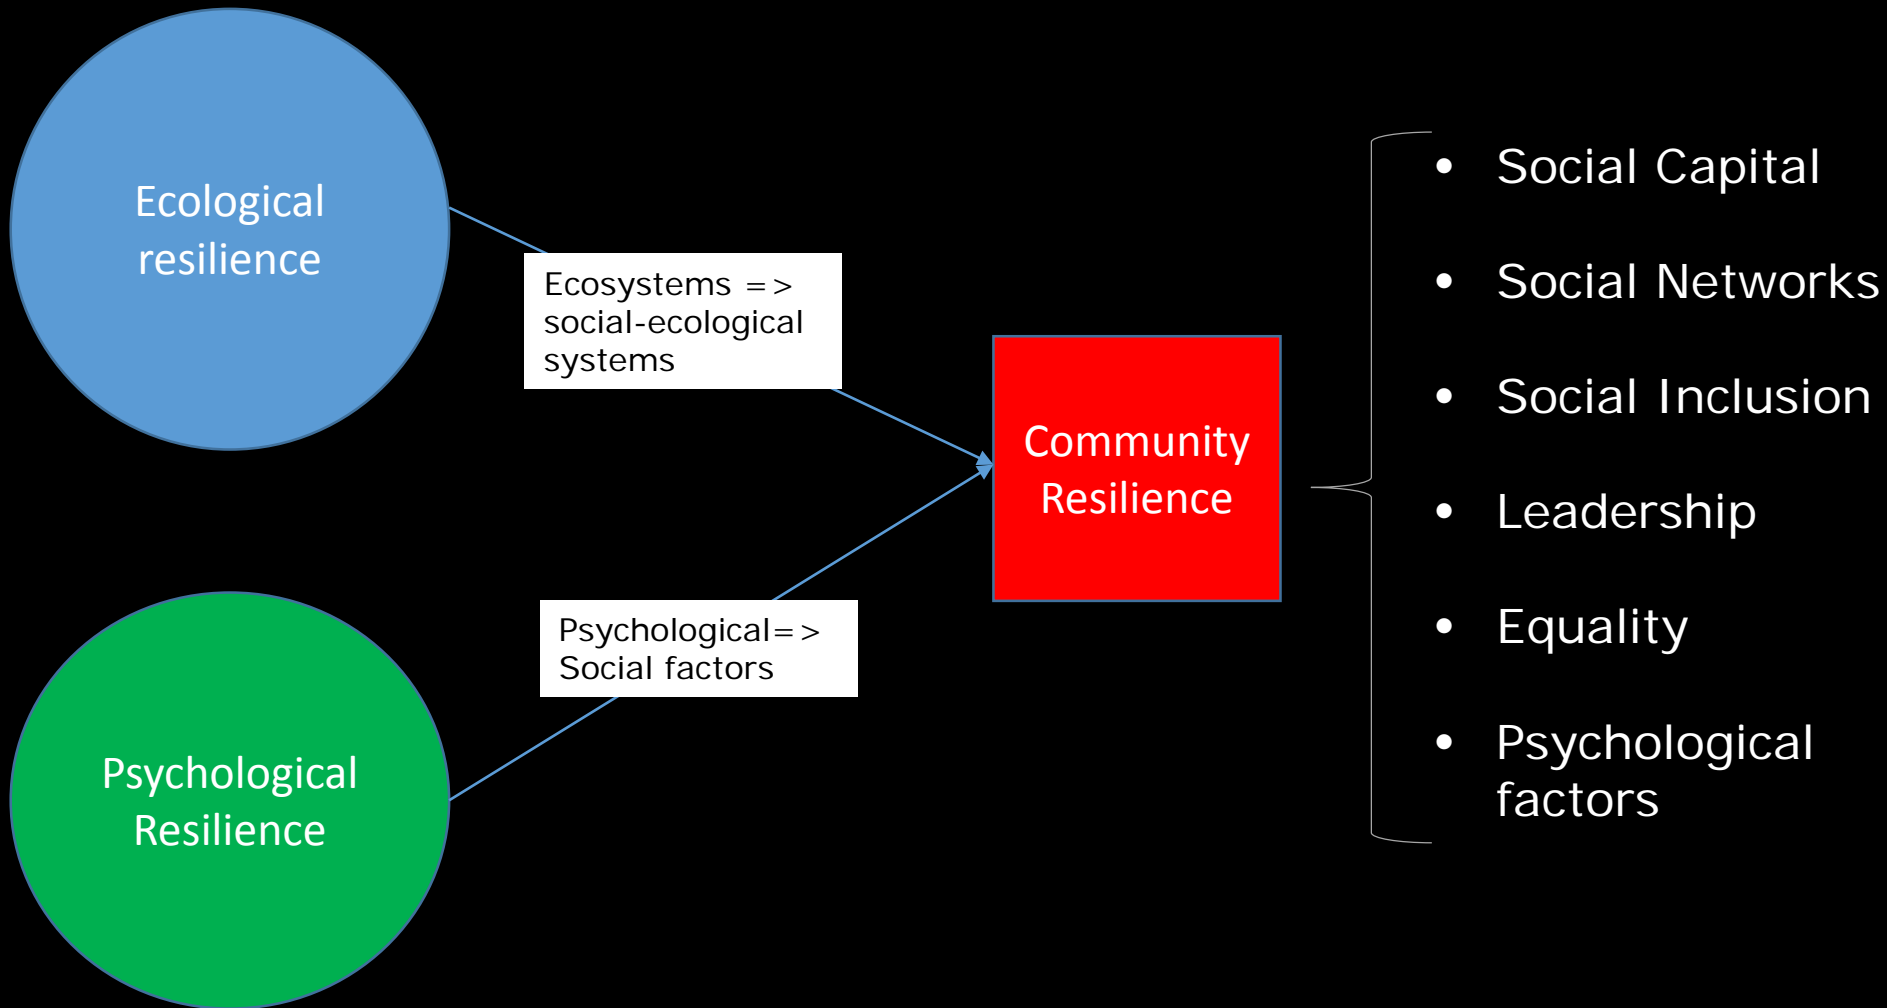

1. What is the understanding of 'community' protected and promoted within community resilience programmes?
2. How do community resilience programmes organize communities to be resilient?
3. How might resilient communities be organized differently?

# Motivation

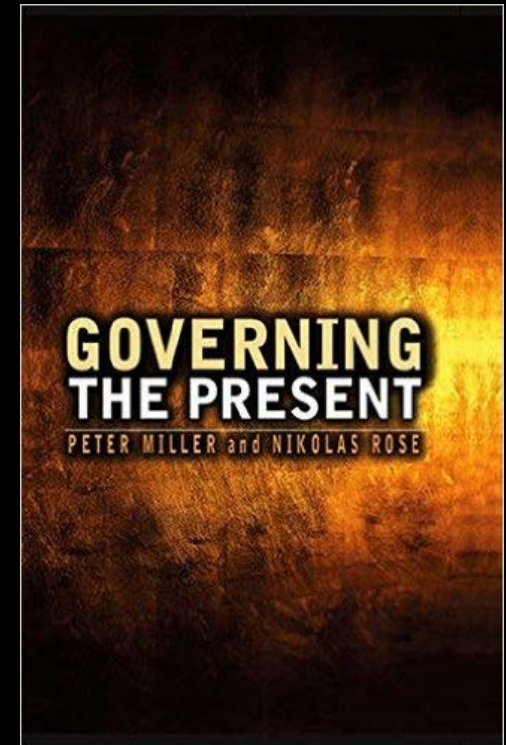

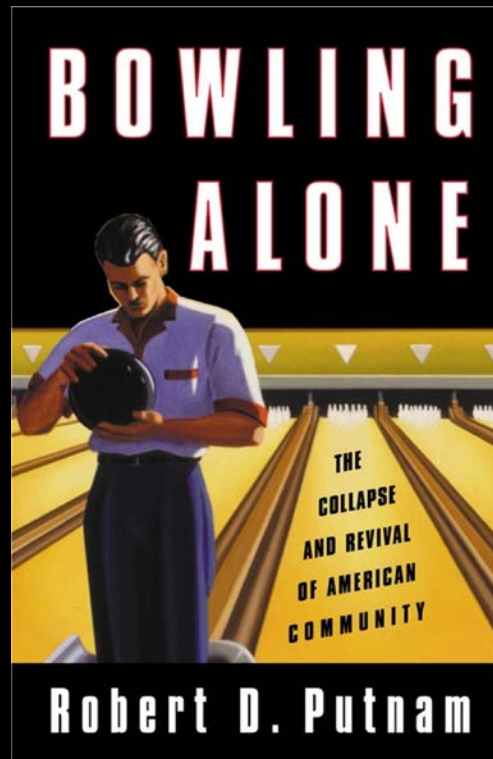

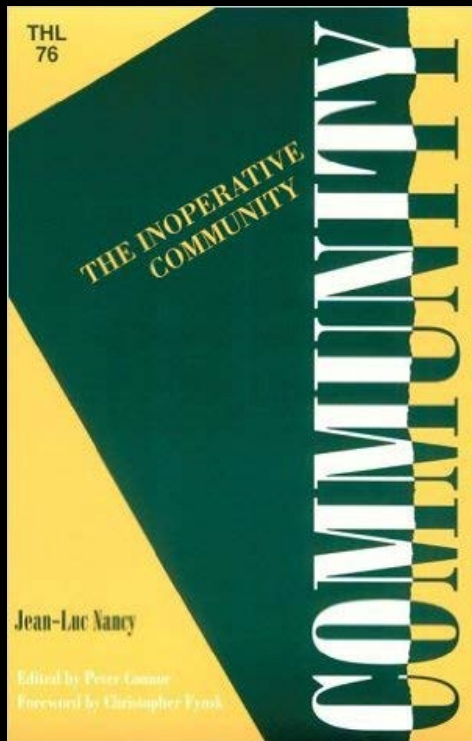

- Resilience as an emergent security value
- Resilience and Neoliberalism
- The subject of resilience vs. community resilience

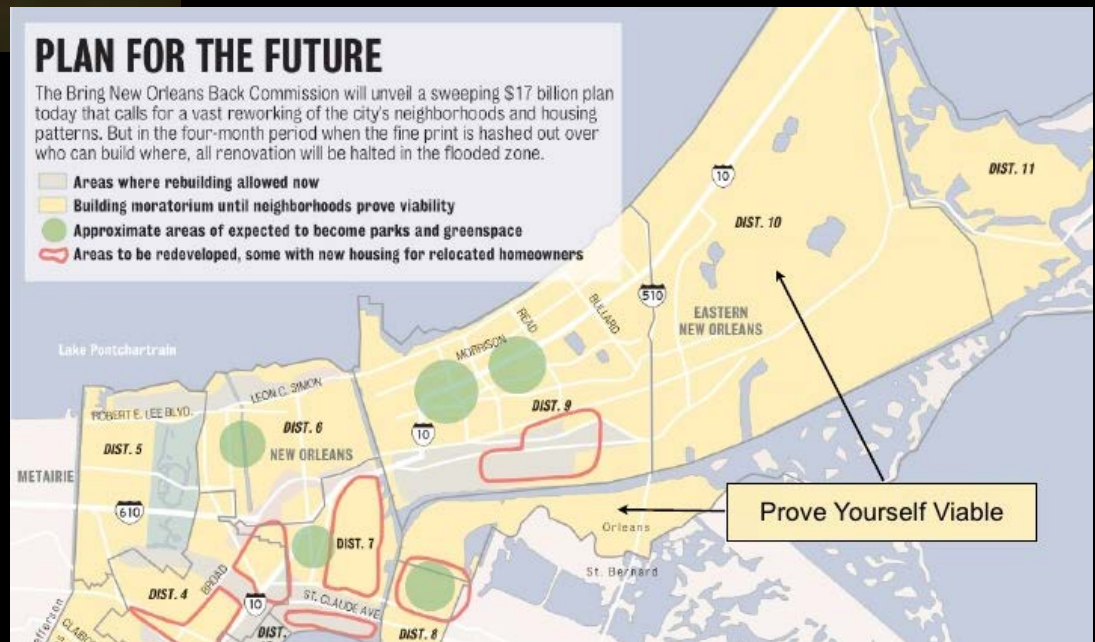

# Community Resilience

# Community vs. Social

# Community Resilience Programmes

# Alternative Organizations of Resilience
