

Docent seminar

Triboelectric Nanogenerator: A new strategy for energy harvesting and self-powered sensing

Renyun Zhang

Department of Natural Sciences

FSCN research centre

Mid Sweden University

Welcome to Docent seminar in Natural sciences,
Nanotechnology with Renyun Zhang.
The seminar will be in English.

Date November 26, 2019 11:00–11:45

Place Campus Sundsvall E409

Welcome!
