

Publication Consent

At Mid Sweden University, students have the opportunity to publish their degree projects in the digital repository DiVA (see the publication terms and conditions: <https://www.info.diva-portal.org/w/diva/om-diva/publiceringsvillkor>). Publication is open access, which means that the work will be freely available to read and download online.

I/we consent to the publication of my/our degree project so that it becomes freely available online:

- ☐ Yes, I/we accept the publication terms and conditions.
- ☐ No, I/we only consent to information about the degree project, such as author name(s), title and any abstract, being publicly available in DiVA.
- ☐ No, I/we do not consent to either information about the degree project or the degree project itself being publicly available in DiVA.

Please note that degree projects are public records and are archived in DiVA. Generally, they are disclosed upon request. However, a confidentiality assessment is always carried out in accordance with the Swedish Public Access to Information and Secrecy Act.
